Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Diocesan Histories: Peterborough The Church of Saxulf at Medeshamsted had already numbered some four centuries when Remigius, the first Norman Bishop of the diocese, founded the minster which crowns the heights of Lincoln, and thither transferred his episcopal throne from Dorchester in Oxfordshire. Ours, therefore, is the more ancient Cathedral, though the mother Diocese is the more illustrious. Our earliest annals are neither obscure nor uninteresting. The legend of Wolfade and Rufine, - the characters and work of Saxulf and his royal companions, - the destruction of the church by the Danes, and its restoration by Edgar and Ethelwold, could not well be spared from the history of the Church and Kingdom. And in later times it is remarkable how many events belong, locally or personally, to the Diocese of Peterborough, which claim, from their intrinsic importance, a place in general history. The struggles of Anselm, for instance, with Rufus, and of Becket with Henry II., cannot be told circumstantially without reference to Rockingham and to Northampton. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
