The Mentoring Continuum: From Graduate School Through Tenure (Paperback)

By -

The Graduate School, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. Recent developments in academic mentoring have challenged long-standing conceptions of the mentor-mentee relationship as a top-down, wisdom-bestowing proposition. There is growing awareness that for the majority of their working lives, academics are both mentors and mentees, and have shifting needs and obligations as their careers progress. That is, they occupy a mentoring continuum whose navigation requires effort, reflection, and good faith. This book offers theoretical and practical tools to help them on their way and indicates how institutional resources can be mobilized in support. Topics include: * Peer mentoring* Effective student/faculty/administrative collaborations* Web-facilitated mentoring* Nonacademic career preparation* Teaching as an ongoing area of professional development* Negotiating difference in mentor-mentee relationships* Transitioning between dissimilar institutions* The complex interaction of role modeling and mentoring* Mentee agency and responsibility.

Reviews

Complete guideline! Its this type of great read through. it absolutely was writtern quite perfectly and helpful. I am very happy to explain how this is basically the best book i actually have read through during my personal life and can be he very best book for at any time.

-- **Joshua Gerhold PhD**

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.
