FISHING SENSE

To get **Fishing Sense** eBook, make sure you access the button beneath and save the file or gain access to other information which are related to FISHING SENSE book.

Exisle Publishing (Australia). Hardback. Book Condition: new. BRAND NEW, Fishing Sense, Philip Weigall, It's a sad fact of flyfishing that there is no prescriptive manual for ensuring success. It is an activity that defies simple evaluation, with enough variables to leave even the 'experts' scratching their heads from time to time. For example, why is it that a trout will respond to a certain fly one day, but ignore it entirely in identical conditions on another day? Acclaimed flyfishing author Philip Weigall attempts to answer this question and many more in this engaging book. In his words, it is a book of 'flyfishing truths', a collection of techniques, ideas, concepts, knowledge and equipment that, to the best of his objective observations over many decades spent with a rod in hand, honestly seem to matter when it comes to catching trout.
