

When the Nurse Becomes a Patient: A Story in Words and Images

Filesize: 2.37 MB

Reviews

This ebook is very gripping and fascinating. Sure, it is engage in, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Ms. Ora Buckridge)

WHEN THE NURSE BECOMES A PATIENT: A STORY IN WORDS AND IMAGES

Kent State University Press. Hardback. Book Condition: new. BRAND NEW, When the Nurse Becomes a Patient: A Story in Words and Images, Cortney Davis, In the summer of 2013, Cortney Davis, a nurse practitioner and author who often writes about her interactions with patients, underwent routine one-day surgery. A surgical mishap led to a series of life-altering and life-threatening complications, resulting in two prolonged hospital stays and a lengthy recovery. During twenty-six days in the hospital, Davis experienced how suddenly a caregiver can become a care receiver and what it's like to be on the other side of the sickbed. As a nurse, she was accustomed to suffering and to the empathy such witnessing can evoke, but as a patient she learned new and transforming lessons in pain, fear, loneliness, abandonment, and dependency; in the fragility of health and life; in the necessity of family support; and, ultimately, in the importance of gratitude. Once at home, Davis wanted to respond to her illness creatively through her writing, but the details seemed too intense, too raw for words. As her recovery progressed, she found release in painting, discovering an immediate connection between heart and hand, between memory and canvas. In a series of twelve paintings, she re-envisioned episodes of her illness, moments that remained and replayed in her consciousness, ultimately providing an education in health care more resonant and more authentic than what she had found in nursing textbooks. Before, serving as a nurse in intensive care, oncology, and women's health, Davis believed that she understood what hospitalized patients might be experiencing and how they might be coping. Her own illness taught her how little she truly knew and how important it is that all caregivers, professionals and family members alike become aware of the physical and the inner emotional needs of their...
