Yale University Press, United States, 2013. Paperback. Book Condition: New. 208 x 150 mm. Language: English . Brand New Book. Ewan Gibbs (b. 1973) has quickly become one of the most exhibited, collected, and admired artists working today. His unique visual vocabulary-self-described as found language -can be clearly seen in his drawings that re-create photographic images, often of major architectural landmarks worldwide. Arlington National Cemetery introduces Gibbs s latest project, eighteen drawings that focus on the gravestones at the United States s most hallowed resting place. The book includes essays that illuminate aspects of Gibbs s artistic practice, including the precise tools and methods that he employs to create his meticulously rendered drawings. A preface by the artist explains what inspired him to explore this American landmark, and the images are presented accordion-style, so that readers may contemplate them as a series.
