Taylor Francis Ltd, United Kingdom, 2009. Paperback. Book Condition: New. 5th Revised edition. 244 x 190 mm. Language: English . Brand New Book. The fifth edition of Maurice D. Levi s classic textbook has been updated to incorporate the massive changes in the world of international finance of the past few years. In particular, the emergence of new markets is given broad coverage - particularly the rise to financial prominence of China and India and other growth economies in Asia and elsewhere. Key features of the book include: * the impact of globalization and the greater connectedness of national economies and the world economy as a whole * probably the best introduction to exchange rates available and how they directly impact upon firms as well as governments * the continued massive impact of multinational corporations on the global financial scene as well as the opportunities presented by e-commerce. The material is interlaced with a wealth of supplementary material including real world case studies, review questions, examples and objectives. The result is the most authoritative survey of international finance currently available. Thoroughly updated and with a large amount of new information, this text will prove an indispensable guide to the inner workings of international finance to students of economics and business as well as professionals in the finance industry.
