William B Eerdmans Publishing Co. Paperback / softback. Book Condition: new. BRAND NEW, Unto a Good Land, Volume 2: A History of the American People: From 1865, David Edwin Harrell, Edwin S Gaustad, John B Boles, Sally Foreman Griffith, Randall M Miller, Unto a Good Land offers a distinctive narrative history of the American people -- from the first contacts between Europeans and North America's native inhabitants, through the creation of a modern nation, to the standing of the United States as a world power. Written by a team of distinguished historians led by David Edwin Harrell, Jr. and Edwin S. Gaustad, this textbook shows how grasping the uniqueness of the bAmerican experimentb depends on understanding the role of religion as well as social, cultural, political, and economic factors in shaping U.S. history. The authors recognize that religion is only one of many factors that have influenced our past -- one, however, that has often been neglected in textbook accounts. This volume gives religion its appropriate place in the story. Unprecedented coverage of the forces that have shaped the history of the United States While none of America's rich history is left out, this volume is the first U.S. history textbook to give serious attention to the religious dimension of American life. This textbook is not a religious history; instead, it offers an account of American history that includes religious ideas, practices, and movements whenever they played a shaping role. Comprehensive and current This volume traces the American story from the earliest...
