Actuation Press, United States, 2011. Paperback. Book Condition: New. 228 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Did you know that more than 60 percent of executives say they struggle making kill/go decisions on their projects? Corporations are counting on project managers more than ever to help them navigate these tough decisions. Do you have the right tools, team, skills, and data necessary to help your executives?The environment that project managers operate in has turned global, with faster to-market turnarounds, higher sensitivities to regulatory compliance, and zero tolerance for low quality. Rapid advancements in technology and offshore resourcing make projects and their path to success more complex and fraught with risk. If you feel unprepared, then you need S.T.O.P. - The Project Management Survival Plan, a new book from The Actuation Press. S.T.O.P. provides the reader with proven project management principles complemented with tools, tips, techniques, and stories to ensure your success in project delivery.The S.T.O.P. management process is designed around the survival principles used by many of our armed forces divisions. Its foundation is based on the understanding that project management is more than just managing scope, schedule, and cost. Every project manager is familiar with the iron triangle. But it s time that a new triangle emerges. A triangle based on managing value, team performance, and communication. Steven has taken those principles and constructed a framework for project management planning, execution, monitoring, and control. The framework is designed to ensure you ve done everything you need, from a project management perspective, to ensure you and your team succeeds and guarantee you re not the reason for stopping the project. What s inside the book: New equations providing focus and the ability to quantify value, team performance, and communication Tips and techniques to...
