Reviews

Definitely among the best book I have possibly read. I have study and i am sure that i will going to go through once more once more later on. Your lifestyle span is going to be convert when you full looking at this publication.

(Prof. Damon Kautzer III)

HARM'S REACH

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Harm's Reach, Alex Barclay, FBI Agent Ren Bryce finds herself entangled in two seemingly unrelated mysteries. But the past has a way of echoing down the years and finding its way into the present. When Special Agent Ren Bryce discovers the body of a young woman in an abandoned car, solving the case becomes personal. But the more she uncovers about the victim's last movements, the more questions are raised. Why was Laura Flynn driving towards a ranch for troubled teens in the middle of Colorado when her employers thought she was hundreds of miles away? And what did she know about a case from fifty years ago, which her death dramatically reopens? As Ren and cold case investigator Janine Hooks slowly weave the threads together, a picture emerges of a privileged family determined to hide some very dark secrets - whatever the cost.
