

Minimum of Two

By Tim Winton

Pan Macmillan. Paperback. Book Condition: new. BRAND NEW, Minimum of Two, Tim Winton, 'These stories are a wonderful introduction to his quirky fictional world -- gutsy, funny, lyrical but unpretentious Independent Tim Winton's second short-story collection explores the complexity of human relationships through the themes of futility and hope, revenge and redemption, birth and death that twist through each tale in turn, emerging, re-emerging, competing, conflicting. As characters, too, surface and reappear, their lives are slowly, painstakingly revealed. Through frozen moments and stolen glances, their stories -- and histories -- are told, their emotions exposed, their souls stripped bare. Threaded together by Tim Winton's haunting prose, the tales in Minimum of Two ultimately offer an optimistic view of the world in which we live. 'Winton .writes with a muscular looseness which is suited perfectly to the people and places he is describing' The Times 'Tim Winton has cracked something essential about modern Australia: how to find meaning in the intimate and terrible parts of contemporary family life, set against a landscape which is inhumanly vast' Evening Standard 'The vividness and clarity that Mr Winton responds to in nature are also beautifully embodied in his own writing' The Economist.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
