

Deep State Vol. 1 (Paperback)

By Justin Jordan

Boom! Studios, United States, 2015. Paperback. Book Condition: New. 254 x 168 mm. Language: English . Brand New Book. John Harrow doesn't exist, and his job is to make sure that other things don't exist, too. At any given time, the government is running dozens of black book operations, experiments that aren't on any official record and are never acknowledged to exist. Some of these are innocuous. Some of them are monstrous beyond reason. And most of the time, they go as expected and the public is never the wiser. Most of the time. John Harrow's job is to handle them when things go wrong, and do anything to make sure the government's secrets stay just that-secret. With Luther Strode, Dead Body Road, and Spread, Justin Jordan has become one of the eminent voices in hard-hitting, intelligent, original comics, and Ariela Kristantina (Death of Wolverine) brings her unique, idiosyncratic style that has made her a breakout talent. If you're even remotely interested in conspiracy theory stories from comics like Detective Comics and X-Files to films like Enemy of the State and Three Days of the Condor, you'll be gripped by Deep State!.
