STATE OF URBAN SERVICES IN INDIA'S CITIES: SPENDING AND FINANCING

Oxford University Press, New Delhi, India, 2010. Hardcover. Book Condition: New. Dust Jacket Condition: New. First Edition. With increasing population and expanding demand for urban infrastructure services, the capacities of local governments in many developing countries are overburdened. Adequate infrastructure is not only necessary for increasing productivity but also improving the quality of living. Given the primacy of public service delivery for cities to become engines of growth, this book answers two critical questions: Does low spending explain the state...
