For here are to be encountered creatures and events, deeds and ideas, unsuited to youngest readers, but which have legitimate attraction for boys and girls from nine to fourteen years old - the age varying according to the child's maturity and previous reading. Five of these stories were written by the noted Finnish author, Zachris Topelius, who wrote them, and much else, for the children of Finland and Sweden more than fifty years ago. His loving sympathy for children, and his earnest desire to write only what was wholesome and good for them, shine through all his literary work for the young.
