# USING ACADEMIC ACHIEVEMENT TO PREDICT NURSING STUDENT SUCCESS

Book Condition: New. Publisher/Verlag: VDM Verlag Dr. Müller | Preadmission Academic Achievement Criteria as Predictors of Nursing Program Completion and NCLEX-RN Success | Predicting Nursing Student Success. It is important that higher education administrators and nursing programs implement admission practices that are fair, efficient, and effective. Often academic achievement is used as the primary screening and selection criterion without comprehensive study regarding the effectiveness of those variables in predicting student success. This book describes the state of the literature regarding...

## Reviews

---

*This book is really gripping and interesting. Better then never, though i am quite late in start reading this one. Its been developed in an exceedingly easy way which is only right after i finished reading this ebook where basically modified me, alter the way i really believe.*

-- **Cleveland Dibbert**

*Very beneficial to all group of people. I am quite late in start reading this one, but better then never. You will not really feel monotony at at any time of the time (that's what catalogs are for relating to in the event you request me).*

-- **Jacklyn Hoppe**
