Pages Number: 158 Publisher: Dalian Polytechnic University Pub. Date :2011-5-1. This is the complex, a complex function and its applications by Zhang Shunyan book.

describes the complex, the complex functions as well as several important applications. In mathematics, the content is very basic and very important. Contribution to the book the author has a love of high school mathematics above the level of the majority of young readers, naturally, for secondary school teachers is a worthy complement to read books. From the past several years the situation of a book, talk about real numbers and its applications more books, and talk about complex and its application less than the book, which makes it feel more out of such a book necessary. Contents: Preface sequel shows a basic knowledge of written description of the complex algebra 1.1 1.1.2 1.1.1 plural plural of four computing power and prescribing 1.1.4 1.1.3 Unit root function of complex variable theory of 1.2 the basic concepts 1.2.1 Since the geometric concept of complex variable functions 1.2.2 1.2.3 1.2.4 serial number of the limit of the...
