Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

SHARK RIVER

Penguin Putnam Inc. Paperback. Book Condition: new. BRAND NEW, Shark River, Randy Wayne White, The past comes disconcertingly alive for Doc Ford, in a series that continues to grow in popularity and acclaim. Randy Wayne White's *Ten Thousand Islands* was "one of the most satisfying thrillers in recent memory" wrote the Chicago Tribune, and the starred review in *Publishers Weekly* said, "Of all the writers [in] the Florida mayhem boom, only White can claim to have created a series hero to match Hemingway's memorable outdoorsmen and John D. MacDonald's much-missed Travis McGee." And now White has created his most electrifying novel yet. On a working vacation to Guava Key, marine biologist Doc Ford notices two female joggers who follow the same route at the same time every day. He can't help thinking how easy it would be for a predator to become aware of them, too. As it turns out, he isn't the only one. There seem to be more and more predators these days. Forced to step in, Ford finds himself involved in a story of intrigue and revenge that becomes more dangerous with every turn-and some of them hit pretty close to home. Add to that a Bahamian relative he never knew he had, a letter leading to a treasure that may or may not exist, and some past history that becomes very alarmingly present, and his life has suddenly become very complicated. Not to mention the prospect of his death. . . . Filled with crackling power and atmosphere, and some of the best suspense characters in fiction, *Shark River* is a triumph of storytelling."
