Grey House in the Woods. Paperback. Book Condition: new. BRAND NEW, The Path Through the Forest: A Druid Guidebook (2nd Revised edition), Julie White, Graeme K. Talboys, This new edition was written out of the need to provide an introduction to the Druid Way based on a Celtic metaphysic. The authors bring a wide experience of druidic practice and thought to bear and present a work that will allow those new to the Way to take their first steps with confidence. However, it is also a book that will be of immense interest to those who are already Druid as it approaches the subject with a fresh vision and a passion that will inspire many to re-examine their roots. The book is divided, appropriately, into three sections. The first part, 'How the World Came To Be', looks at ancestral Celts and Druids and examines not just the history of the Druid Way, but also the metaphysic that gives it continued life. The second part, 'The Shape of the World', explores some of the philosophical concepts of the modern Druid Way as well as the importance of the Matter of Britain in understanding what it is to be Druid. The final part, 'Working in the World', looks at some of the practical aspects of being Druid.
