Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Lectures on Some Recent: Advances in Physical Science With a Special Lecture on Force In preparing a Second Edition for the press, I have adhered to my original plan of publishing these Lectures just as they were taken down by the shorthand writers. I have, however, altered here and there a mere word or two, and in a few places, where it appeared to be called for, I have added an explanatory sentence. Herr Wertheim, who is engaged in translating the work into German, has kindly called my attention to an article in the second edition of Clausius Mechanische Warmetheorie which has reference to a discussion raised by that author in Pogg. Ann. (1872.) Three letters were written by Clausius and three by myself - all of which appeared in the Phil. Mag. (see foot-note to p. 118.) The first alone of my letters was sent to Professor Poggendorff, as I did not wish to occupy more than was absolutely necessary of his space with what I could not help anticipating would be a perfectly fruitless controversy. I disclaimed at once and utterly the imputation of irritation made by Clausius. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are...
