You may think that marital bliss means money doesn't matter, but in today's troubled economic times, that's simply false hope. And with layoffs galore and debt mounting, financial stress is through the roof. Think keeping afloat and affectionate is impossible. Think again. This inspiring, action-oriented guide helps young women in committed relationships understand and manage their money matters. Complete with charts, graphs, case studies, and tip-based advice, this succinct, straightforward guide speaks to worried women in the same way that made *On My Own Two Feet* a mega-success. Accessible and easy to follow, the three-part process presented in this book teaches you how to: Accurately interpret your current financial condition. Become truly involved in the costs of the couple. Move forward using the three powers steps to financial success. This expert author team is here to help once more. Clearing up confusion, stating the truth, developing a plan, and now, helping create a happy home. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that I am sure that I will go on to read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
