

The Feminine Economy and Economic Man

By Shirley Burggraf

Basic Books (AZ). Paperback. Book Condition: New. Paperback. 304 pages. Dimensions: 9.0in. x 5.8in. x 0.7in. We hear much talk about family values, but what value do we actually place on the family itself In Postindustrial America is the family merely a moral and sentimental worthy cause Or is it in fact the focus of some of societys most important workthe development of productive workers and citizensand thus one of the primary engines of economic growthIn The Feminine Economy and Economic Man, Shirley Burggraf sets the record straight about the true valueand true costof the familys work in nurturing and protecting societys human capital. With startling insight she also shows why we must replace our charity attitude toward family with something more appropriate, the same model we use for encouraging other, important economic entitiesthe model of investment and incentives. Economists have always referred to an inevitable next generation of workers who will expand the GNP, pay off the national debt, and support the social security system. Yet until now economic thinkers, predominantly male, have never factored into their equations the investment in time, labor, and opportunity cost actually required to rear those children into productive maturity. It was as if the...
