Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from White Sulphur Springs: With the Analysis of Its Waters, the Diseases to Which They Are Applicable, and Some Accounts of Society and Its Amusements at the Springs A Pamphlet for general circulation, adapted for a Handbook to guide the distant stranger as to the location and extent of accommodations of the White Sulphur Springs, to point out the different routes by which they may be reached, and at the same time indicating in a concise manner the various diseases for which their waters have been advantageously used, has long been a desideratum with the Spring-going public. In attempting to supply this want, by the issue of this pamphlet, I shall not insert general certificates in proof of the value and medicinal adaptations of the waters to the various diseases for which they have been so long successfully used. The publication of such certificates, while they might be serviceable in some cases, would, nevertheless, be liable to mislead from the want of proper and scientific discrimination as to the precise nature of the cases given. Mineral waters, to establish and perpetuate a valuable reputation, must be carefully kept within the dear boundary of their power over disease, and within their true adaptation as curative agents. To be efficiently employed, whatever be the name of the disease for which they are used, the state of the system at the time and a proper administration, so as to secure desired effects, are important points that cannot be safely ignored. There are biasing partialities and prejudices in the whole certificate system that are sure to intrude in despite of every effort to keep them out, and hence it is...
