Xulon Press, United States, 2011. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. What does the Bible really teach about God s character? The characteristics of God should be a matter of concern for every child of God. Dr. Langston searches the Scriptures to find answers to the age-old question, What is God like? While this book can be used either as a devotional or a study guide for knowing the biblical God; it will also reveal many wonderful and surprising spiritually deep glimpses of the only God there is. Included in the author s expository look at God s attributes are some rarely recognized, perhaps never thought about, aspects of the true nature of the Creator God. Amazingly, were it not for the Bible, we would have no idea who or what God is; let alone any knowledge of how to respond to His divine presence in a worshipful and pleasing way. Dr. John L. Langston III has been the president of TMA Ministries since the founding of this missionary agency in 1982. His ministry has taken him, by the grace of God, to more than thirty-eight countries; where he has shared his talents as a missionary in helps, evangelism, and theological education. For nearly the past two decades, he has been a visiting professor at the seminary in India, and the seminary extension programs in Trinidad and Guyana. He also serves as the Dean of the Solid Rock Theological Seminary. Currently, he continues to write and teach through the written word from his home in Florida.
