Brand New Book ***** Print on Demand *****.Join us in a journey of discovery through a soul forever changed by the devastating power of loss. A Landscape of the Soul chronicles Grant Keller's profound struggle with grief as he faces the bitter anguish of the loss of his only son. Grant is not a psychiatrist, therapist or grief counselor; he is just one of us -tested hard by loss. Grant used the clear, evocative power of poetry to understand the grieving process, learn to accept loss, and embrace the healing powers of grief. These thoughtful poems are wonderfully accessible and unpretentious. They have the unique ability to pull you into the grief experience so you can share the multifaceted emotions of loss, grief, and transformation from a safe distance. You will join him, not as a voyeur, but as a trusted companion in this celebration of empathy and compassionate sharing. Travel with Grant as he takes you on a tour through the way stations of loss, grief and recovery. Discover the lessons and insights he gained in his grieving time. Learn to walk these dark paths so you will never lose your way when challenged by your own, inevitable losses. To love is to eventually know loss of one form or another. A candle divides the darkness, only for its time; but time, you will find, is compassion. Grant's poems capture the intense emotional states of bereavement that stun and change us, but they also explain how the grief process heals us. Share with him the tremendous shock and denial that destroyed his faith and stripped away all trust in his cherished beliefs. Experience his deep soul-searing anger mixed with rage,...
